

# Moodify

"Experience music like never before."

Moodify isn't just any music streaming app. It's a portal to a world shaped by your favourite songs.

Dive into AI-powered recommendations curated to your mood. Explore breathtaking VR concerts that bring music to life. Capture the soundtrack of your moments in a personal music diary.

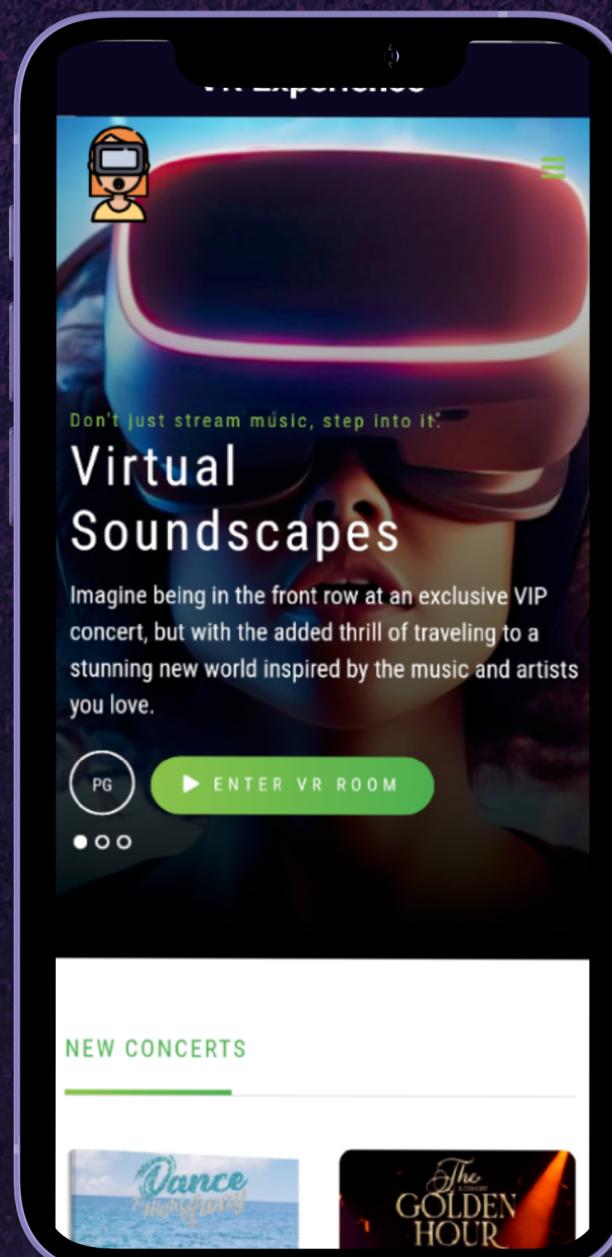

Record your Moodify journey in our MusicDiary

Build your personal mood diary with music. Revisit your day's soundtrack anytime.

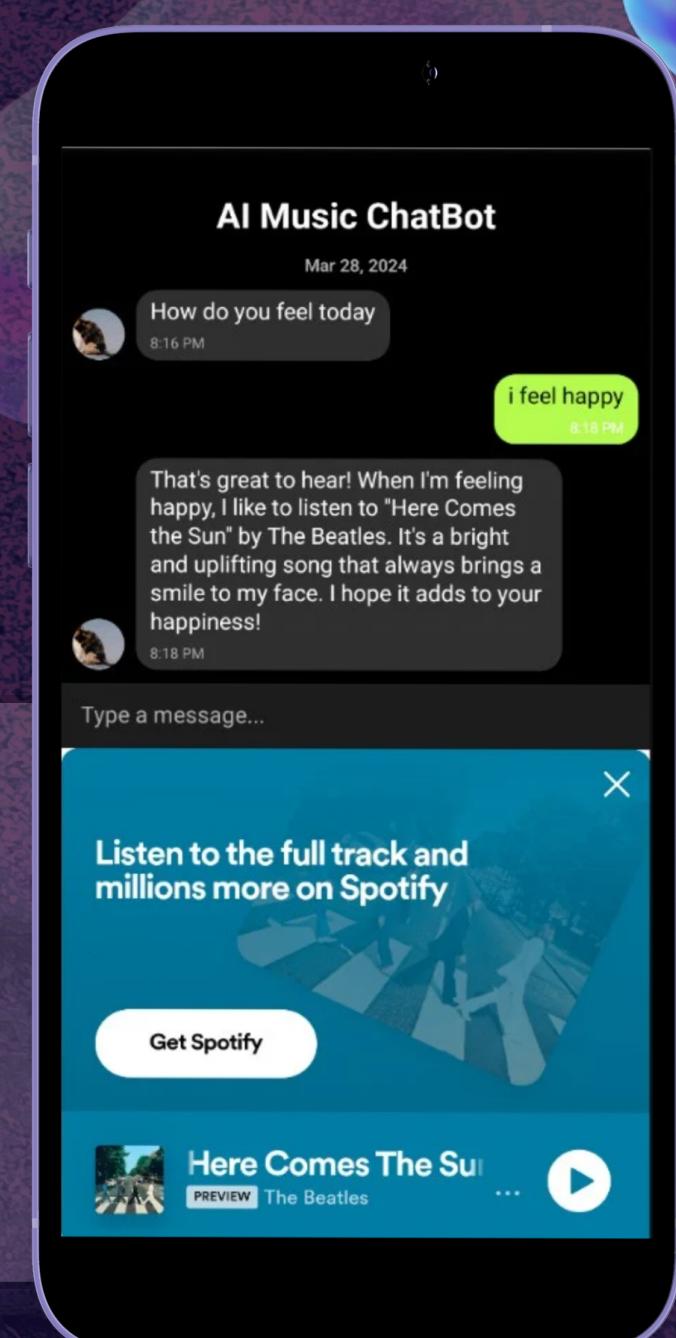

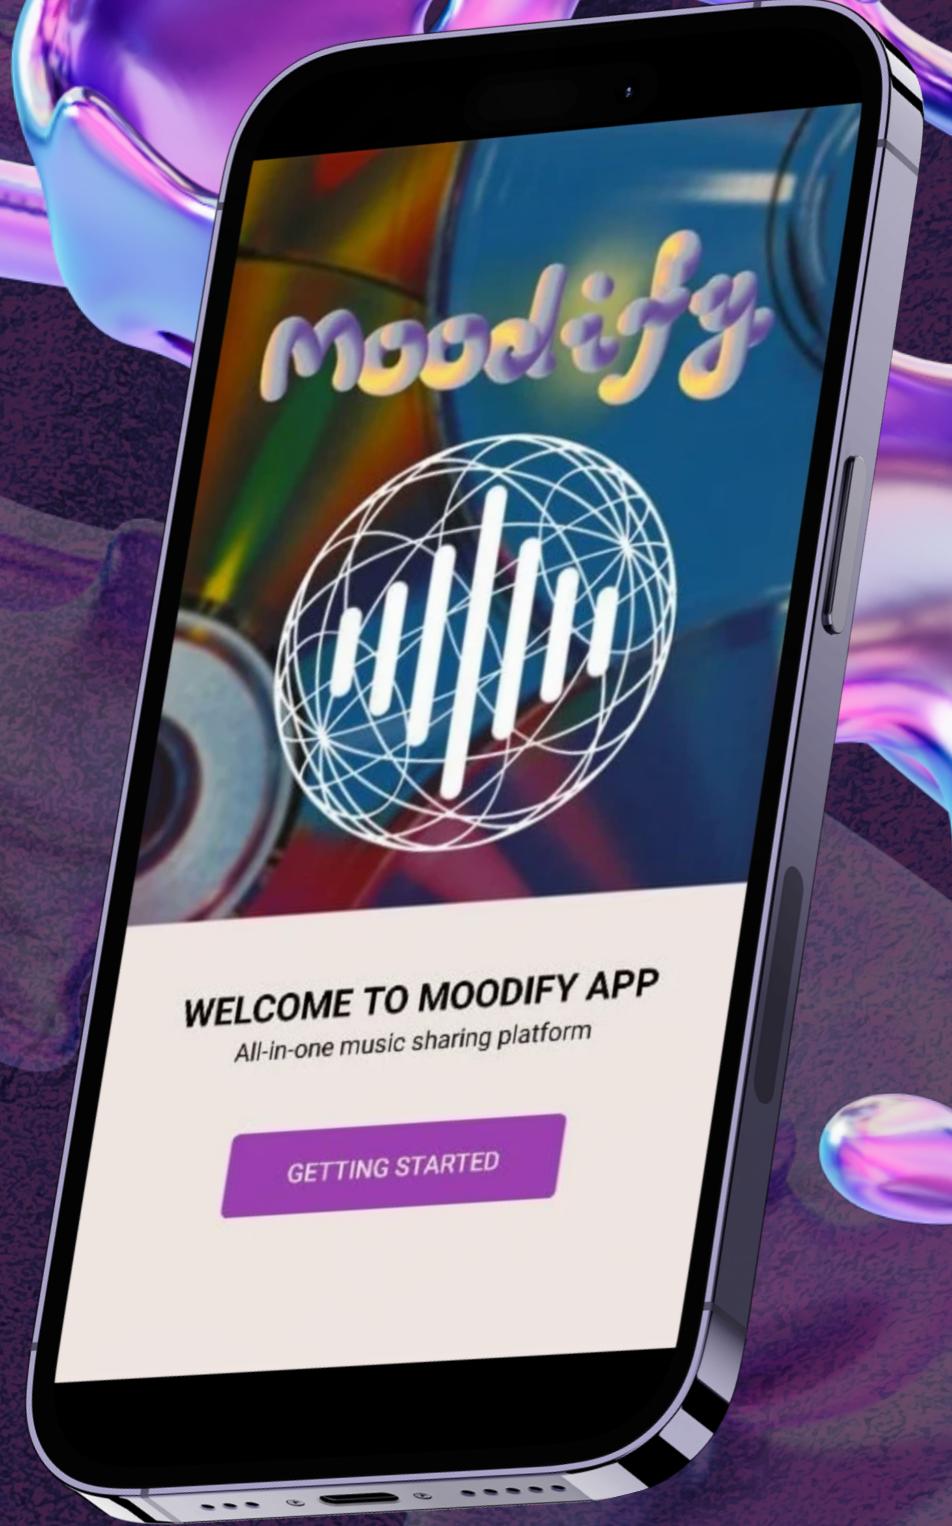

Chat with our Moodibot whenever you feel down

Get the best recommended song that resonates with your mood

Discover a new way to experience music in our immersive virtual soundscapes.

Get unique experiences for every song.
